Art Scout

Tucked away in the corners of Adelaide's art world are some highly-successful artists and exciting galleries that the casual visitor could easily miss.

With a little inside knowledge, though, you can make some surprising discoveries. Art Scout offers intimate small group tours to help you discover what's happening in the Adelaide art scene. You will see contemporary art from emerging and established artists in some great galleries and even meet artists in their own studios. We will stop for morning tea in an 'arty cafe' and have a relaxing lunch in a typical Adelaide pub or restaurant.
